Attendance

Congratulations to those children who achieved full month of attendance in November. We also have a number of children who have received 3 Full Months of attendance in September, October and November. This is a tremendous achievement, keep it up!

Lexia & Reading Eggs

We are delighted with all the hard work the children are putting into earning certificates. We recognise that this takes time and effort both in school and at home. Subscriptions have been paid for by the school. They are fun, interactive and engage children in their learning but can only be continued to be paid for if children continue to use them!

Mathletics

A huge congratulations to everyone on achieving their certificates for Mathletics. We had a number of Bronze and Silver certificates, Well Done to everyone on receiving these. Mathletics is an excellent and fun way of learning maths, keep up the good work!

Well done to the boys and girls on being selected for Young Writers Poetry

Saint Vincent De Paul

Society of St. Vincent de Paul

The Society of Saint Vincent de Paul exists to fight poverty. They work for social justice and the creation of a more just, caring society. Through their wide range of services, they provide practical support to people in need. Locally they are very much a cross community charity. Should you need their support telephone 07738837992 or call into any of their shops in Killyclogher or Omagh.

Visit to Stormont

On Friday the 16th November children from P3-P7 had the opportunity to visit Stormont Buildings in Belfast. The children had an interactive presentation on the Northern Ireland Assembly, a tour of Parliament Buildings, including a visit to the Public Gallery, a mock debate on school uniform and an address by a member of Assembly staff. The children and staff thoroughly enjoyed the experience and hope that sooner rather than later it is fully functioning with MLAs.
